SUMMARY

- Results-oriented Software Engineer specializing in web application development. With a strong foundation in Angular and React JS, I've led cloud migration initiatives and implemented Redux state management for optimized data flow. I thrive on pushing the boundaries of modern web development to deliver impactful solutions.

EXPERIENCE

Jan 2023 - Present

- **Software Engineer - FSE**
Cognizant Technology Solutions
 - Led successful cloud migration project for batch applications in collaboration with Cloud COE, Cloud Engineering, DevOps, and firewall teams.
 - Identified and proposed migration from AngularJS to React JS for an application using unsupported technology.
 - Prepared comprehensive estimation for front-end rewrite, ensuring existing functionality and logic were retained.
 - Currently leading migration project from AngularJS to React JS, focusing on seamless transition and enhanced data flow through Redux state management.

Dec 2021 - Dec 2022

- **Jr Software Engineer**
Cognizant Technology Solutions
 - Developed responsive single-page web application using Angular 11 framework, incorporating various modules.
 - Integrated front-end with backend through Restful web service calls in Angular 11.
 - Implemented media queries for responsive design across different screen sizes.
 - Achieved zero defects in application delivery and attained over 93% code coverage.

Dec 2020 - Dec 2021

- **Jr Software Engineer Trainee**
Cognizant Technology Solutions
 - Collaborated with UI and Core Java teams to add features, fix bugs, and perform upgrades on existing applications.
 - Engaged in all phases of Software Development Life Cycle, from requirements gathering to deployment.

EDUCATION

2014 - 2017

- **Thiagarajar polytechnic college**
Diploma in Mechanical Engineering
94%

2017 - 2020

- **Kumaraguru College of Technology**
Bachelor of Mechanical Engineering
8.2

SKILLS

- Web Development: HTML, CSS, Bootstrap, Angular, React JS
- Programming: Core Java, Typescript, JavaScript
- Frameworks: Spring Boot, Spring Data JPA
- Project Management: Cloud migration, DevOps practices

ACHIEVEMENTS & AWARDS

- Received two consecutive 5 out of 5 ratings in year-end performance evaluations for outstanding contributions.
- Recognized with three consecutive MG Awards for academic excellence during college.

PROFESSIONAL CERTIFICATION

- Angular Core Deep Dive - Udemy
- Angular Router Indepth - Udemy
- ReactJS Advance (Level-2) - Cognizant
- Testing React with Jest and React Testing Library - Udemy
- Angular 11 (Knowledge Based Assessment) - Cognizant
- ReactJS Advance (Level-2) Knowledge Based Assessment - Cognizant
- Java-DataStructure-Algorithm (Knowledge Based Assessment) - Cognizant
- Spring Data JPA (Knowledge Based Assessment) - Cognizant
- Modern HTML & CSS From The Beginning - Udemy
- Bootstrap 4 - Udemy
